

## OFSC Locker Agreement 2011-12

- The cost to rent a locker is \$30 a year. It is non-refundable and not prorated.
- You must use the lock and key provided by OFSC or you may provide your own combination lock. If you provide your own combination lock, your lock combination must be on file with the OFSC Membership Chairperson.
- This agreement is in effect until May 31, 2012. If you wish to continue to rent the locker, you must renew this agreement and pay the rental fee by June 15, 2012. If you are not going to continue to rent the locker, your belongings must be removed from the locker and the key must be returned to the OFSC Membership Chairperson by June 15, 2012. Anything left in the locker will be placed in the Jones Center Lost and Found.
- Lockers may only be shared by family members

I have read and understand the above policy.
