

2022 Christmas Show Points System

Effective September 1, 2021 thru August 31, 2022

Skaters and Parents,

The Ozark Figure Skating Club is proud to announce our updated points system for the 2022 Christmas Show! This is designed to reward skaters for participation in our program and encouraging our skaters to become active within our sport.

All skaters interested doing a solo, duet, trio or quartet must fill out a points form. The top 12 point earners will be awarded a solo or their preference of duet, trio or quartet. Skaters must be an Ozark Figure Skating Club member in good standing. All levels are eligible.

Skaters will be asked to keep track of their points on their own with the enclosed points sheet and must obtain their coach's signature for verification between September 1, 2021 and August 31, 2022. Forms must be submitted in the OFSC box in the back hallway no later than Wednesday, August 31, 2022. If you give your form to your coach, please make sure that your coach submits your forms into the box in the back hallway by the deadline of August 31, 2022. All forms must be completed with the official signatures before they are turned in. Points will not be counted without the official signatures. **NO FORMS WILL BE ACCEPTED AFTER WEDNESDAY, AUGUST 31, 2022.**

PLEASE NOTE:

- **The OFSC has established a participation points system for skaters to earn a solo. Skaters must fill out and keep track of their points on this sheet and provide their coach's signature for verification.
- **Skaters must FULLY participate in each event to qualify for their points. When documenting points related to competition, skater MUST list the competition/event they earned those points from. The ability to earn points is up to the discretion of the coaches and the Christmas Show Committee to allow. Skaters must not only pay for the events, but actively and fully participate in these events.
- **Parents are not able to earn points for their skaters. Points are not transferable.

Throughout the year there will be miscellaneous opportunities for skaters to earn points so be on the lookout for extra point earning opportunities!

This is a wonderful opportunity for each skater to be rewarded for just being involved. We hope that you take this opportunity to be an even bigger part of our annual event throughout the entire year.

If you have a question about a possible event that you think should be worth points, please email the 2022 Christmas Show Committee at OFSCshow@gmail.com The committee will discuss and provide feedback on possible points.
