

# OFSC Locker Agreement 2022-2023

Ozark Figure Skating Club rents lockers in the back hallway to any member in good standing. This is a great place to store skate, clothes, hair ties, tennis shoes, or any other skating item you don't want to have to remember to bring to the rink each time you come.

- The cost to rent a locker is \$20 a year. It is non-refundable and not prorated.
- You may use a lock provided by OFSC or you may provide your own combination lock. If you provide your own combination lock, your lock combination must be on file with OFSC Membership Chairperson.
- This Agreement is in effect until May 31, 2023
- Your locker rental fee will be added to your membership renewal on EntryEeze. If you don't pay the due amount for your locker by July 1, your locker will be emptied and it will be rented to the next person on the waitlist.
- Lockers may only be shared by family members.

I have read and understood the above policy,

Please fill out this form completely and return to OFSC Membership Chair and pay for the locker fee on EntryEeze Membership Portal to complete your locker rental. If you have any questions, email Christey Foster at [cgfoster37@gmail.com](mailto:cgfoster37@gmail.com).
