

## OFSC Renewals Recommendations for 2022-2023 Membership Year

Skate families-- beside your skater's name, we have listed your skater's renewal suggestions for the upcoming season. If you see two types of memberships, that means you have options and should discuss with your skater's coach or contact the membership director if you are unsure about which to go with. OFSC Membership Chair: Christy Foster, cgfoster37@gmail.com

**Note:** Basic Club Members Can Compete, but they CANNOT Test. If your student will test in the upcoming membership year (any time before June 30 2023), they will need a **FULL** Membership with the Club. If you are not sure if the skater will test or not, you can consult with your skater's coach.

The renewal period starts Monday, June 13th and the board has decided there will be no late fee if you renew after our usual renewal period this season as members are still returning to skating when timing is right for their families. However, if you do not renew by the end of June, your US Figure Skating/Learn to Skate membership will no longer be current and you will not be able to test or compete.

If you would like to read/print out our full membership packet, you can find the packet on our website here: <https://www.ozarkfsc.org/forms>

**TO RENEW:** Please visit <https://www.ozarkfsc.org/membership> and follow the steps to renew. You will need your login (email address) and password. You will NOT use your skater's USFS number and PIN as you do when you sign up for competitions. If you don't remember your password, you can reset it by following the prompts. Contact the membership chair if you still are having recovery issues.

<b>Current Learn to Skate (LTS) Members; Basic Membership, Can Compete/CANNOT Test</b>	<b>Renewal Suggestions:</b>	<b>Other Notes:</b>
