OFSC Membership Renewal Recommendations for 2023-2024

Beside your skater's name, we have listed your skater's renewal suggestions for the upcoming season. If you see two types of memberships, discuss with your skater's coach or contact the membership director if you are unsure about which to go with. OFSC Membership Chair: Christey Foster, cgfoster37@gmail.com

Note: Basic Club Members Can Compete, but they CANNOT Test. If your student will test in the upcoming membership year (any time before June 30 2024), they will need a **FULL** Membership with the Club. Consult with your skater's coach if you are unsure.

The renewal period starts in June. If you do not renew by the end of June, your US Figure Skating/Learn to Skate membership will no longer be current and you will not be able to test or compete.

You can read/print out our full membership packet on our website: https://www.ozarkfsc.org/forms

TO RENEW: Please visit https://www.ozarkfsc.org/membership and follow the steps to renew. You will need your login (primary email address) and password. NOT your skater's USFS number/PIN as you do for competition. If you don't remember your password, you can reset it by following the prompts. Contact the membership chair if you still are having recovery issues.
