

Get ready to vote for holiday cheer! This year, the Ozark Figure Skating Club is turning up the volume and bringing the sparkle with our Christmas Show: *LIVE from the North Pole– the Ultimate Holiday Showdown!*

Inspired by festive competition shows, this theme adds a fun and theatrical twist to our annual holiday extravaganza. Expect show-stopping solos, crowd-favorite classics, and a whole lot of heart as our skaters light up the ice with holiday spirit.

But don't worry, this isn't a real contest! There are no scores, no eliminations, and no pressure—just pure holiday fun! Every skater, whether they're just learning to glide or twirling like a pro, has a chance to shine in their own special way. We're here to celebrate *all* levels, *all* ages, and *all* the joy that skating brings this time of year. Before the curtain rises, let's take care of a few important details to make the season (and the show) shine bright.

COSTUME CHANGES & LOCKER ROOMS

We utilize the use of Ready Rooms to increase the safety and efficiency of the Christmas Show. To ensure our younger skaters are still able to participate we are using Ready Rooms for them and require bodysuits for all skaters with costume changes (ages 11 and younger) so that they may be assisted with their costume changes.

What's the difference between a locker room and a ready room?

Locker Rooms (are for ages 12+ to change)	Ready Rooms (are for all ages to wait/hangout)
1. For costume changes of age-appropriate skaters ONLY, where a skater may be in a state of undress at any time. 2. The door to this space must remain closed 3. No adult may enter a locker room except in the event of an emergency and cannot assist a minor in any state of undress. 4. SkateSafe Certification does not grant an adult permission to enter a locker room 5. Cell phones and other recording devices are prohibited in this space.	1. For all ages and all genders, although event organizers can limit access as they see fit. 2. This space must have an open door and be regularly monitored 3. Adults may enter this space, including coaches and volunteers 4. Wearing a bodysuit allows for costume changes to take place because the skaters will not be undressed at any time. 5. Cell phone use is permitted in this space.
