

SafeSport & SkateSafe

We abide by and adhere to all USFS SkateSafe and the U.S. Center for SafeSport regulations, guidelines, and protocols. The SafeSport certification is free and doesn't take long to complete.

If you have completed the SafeSport certification and background check, thank you. We will check with USFS to confirm that you are compliant. If we see any issues we will contact you via email.

ADULT VOLUNTEERS – If you are a parent/adult volunteer, aged 18 or over, that will be assisting in Ready Rooms, Backstage, or any other areas noted on the volunteer sign ups, you must complete the SafeSport training and a background check. SafeSport is free and the background check is a nominal fee unless you submit for reimbursement.

If you are volunteering in a position that requires a background check, we will reimburse you for the cost of the background check. **Background checks should be completed by 11/14/26 to allow time for processing.** For reimbursement, submit your receipt by 12/31/26 to ozarkfigureskatingclub@gmail.com

Questions regarding SafeSport or Background Checks – email ozarkfigureskatingclub@gmail.com

SafeSport and SkateSafe Documents

SafeSport Information – If you need to complete SafeSport training and a background check, or retrieve previous certificates and cards, please use the links below. Volunteers are advised to go through existing USFS Member accounts or to create new USFS Non Member accounts to launch both SafeSport training and the background check process from there.

From USFS – SafeSport Trained, Refresher 1, Refresher 2 or Refresher 3 are the only courses which satisfy the annual compliance requirement. If this is the first time you are taking a SafeSport training, complete the SAFESPORT® TRAINED CORE COURSE first and then each year after you can take a refresher course. Once the Course and Background check are complete, please contact us at our email above.
