Volunteering for “A Storybook Christmas”

Our figure skating club is run entirely by volunteers – parents just like yourself who wish to support our skaters and ensure they continue to have opportunities like this one to showcase their skills outside of formal competitions. The Christmas Show is a huge undertaking both financially and in preparation. It is a requirement of participation in the Christmas Show to provide one volunteer (be it yourself or a parent/caregiver) to help with setup or teardown on show day, December 14th, 2024.

Outside of helping with setup or teardown, there are several additional opportunities to fill that help make the Christmas show possible; your help is appreciated immensely.

If you cannot volunteer your time there will be limited slots to bring hospitality items for dress rehearsal as well as show day. Each family is limited to one hospitality signup slot.

VOLUNTEER EXPECTATIONS

1. Volunteer 1.5 hours (setup or teardown).
2. Most volunteer spots on show day are also needed on the night of dress rehearsal. If you sign up for a spot on show day you will be expected to fulfill that role on 12/10/24 as well.
 - We will have three shows worth of volunteers on dress rehearsal night so if you cannot be at dress rehearsal for some reason please let us know and we will do our best to make sure you know the requirements of your spot ahead of the show.

VOLUNTEER PERKS

1. 2 Free General Admission tickets to either the 11am show or the 1pm show
2. 1 Free Short-Sleeve or Long-Sleeve Christmas Show shirt
3. Your name in the program as part of our crew!

To qualify for volunteer perks you must:

- a. Sign up to volunteer for 2 shows (approx. 4-5 hour commitment, will vary based on role) on show day
 - o Those who sign up for a SkateSafe role and are compliant before dress rehearsal day only need to volunteer for ONE show on show day and item “b” below to qualify for perks!
- b. Perform your volunteer role on dress rehearsal night, if applicable. Not all positions will be required – please see details of your sign up spot.

WHEN & WHERE TO SIGN UP!

If you want first dibs on signing up please attend one of the parent meetings on October 15th. The focus of this meeting will be to spotlight some important aspects of the parent packet and discuss your questions.

Parent Meeting: October 15th @ 5pm or 6pm (choose 1)

- Signup Genius Link to volunteer will go out Friday, October 18th.

Double Hours when you sign up for: SPOTLIGHTS or SKATESAFE

All About SkateSafe & The Christmas Show

SkateSafe is the set of policies and procedures set forth by U.S. Figure Skating, designed to ensure the highest levels of safety and wellbeing for all participants in the sport of Figure Skating. As a member club of U.S. Figure Skating, the Ozark Figure Skating Club is obligated to adhere to all policies from our governing body.

COSTUME CHANGES & LOCKER ROOMS

We are implementing the use of Ready Rooms this year to increase the safety and efficiency of the Christmas Show. In order to ensure that our younger skaters are still able to participate in the Christmas show we are using Ready Rooms for them and requiring bodysuits for all skaters with changes (ages 11 and younger only) so that they may be assisted with their costume changes. For further details see the table below.

What's the difference between a locker room and a ready room?

Locker Rooms (are for ages 12+ to change)	Ready Rooms (are for all ages to wait/hangout)
<ol style="list-style-type: none">1. For costume changes of age-appropriate skaters ONLY, where a skater may be in a state of undress at any time.2. The door to this space must remain closed3. No adult may enter a locker room except in the event of an emergency and cannot assist a minor in any state of undress.4. SkateSafe Certification does not grant an adult permission to enter a locker room5. The use of cell phones and other recording devices is prohibited in this space.	<ol style="list-style-type: none">1. For all ages and all genders, though event organizers can limit access as they see fit.2. This space must have an open door and be regularly monitored3. Adults may enter this space, including coaches and volunteers4. Wearing a bodysuit allows for costume changes to take place because the skaters will not be undressed at anytime.5. The use of cell phones is permitted in this space.

VOLUNTEERING & SKATESAFE

Certain volunteer positions require the volunteer to be SkateSafe compliant (see positions below). This means that you must submit for a background check and complete a SafeSport training course to ensure you are qualified and capable of carrying out the duties and policies of said positions. The background check costs \$30, which the Ozark Figure Skating Club will reimburse you for if you volunteer for a position requiring it during the annual Christmas show. The SafeSport training course is free but does require 1.5-2.5 hours of your time (can stop and start at your leisure). See below for guidance on how to complete your SkateSafe requirements!

Volunteer Positions Requiring SkateSafe Compliance

- Locker Rooms
- Bathrooms

How To Become SkateSafe Compliant (for members)

1. Login on <https://www.usfsaonline.org/> using your USFS#, not your child's.
 - o If you haven't logged in before you'll be asked to choose a password to create your account.
 - o If you do not know your "Member Number" at login do the following:
 - Login to your EntryEeze account with your email and password.
 - On the left side, under the "Family Members" header, select YOUR name.
 - Under your Name, Date of Birth, and Gender you will see "USFS #." This is YOUR id that you need to login at usfigureskating.org; your child's id is different.
2. Once you login, select the "US Figure Skating SkateSafe" icon
3. Choose to begin either your SafeSport Training or Background Check via the links on the screen.
 - o Background Check - you will be prompted to pay prior to beginning your screening. After paying you will click the link at the top of your invoice page to be redirected where you will enter all applicable background check information. Have at least a 7 year residence history handy.
 - o SafeSport training - you can stop and start at your leisure with your progress being automatically saved. If you back out you can always continue where you left off by following Steps 1, 2, & 3, then selecting "continue" for SafeSport training. Initial SafeSport training will take you between one and three hours to complete, but the refresher course the following two years is considerably shorter.
