

2024 OFSC CHRISTMAS SHOW POINTS

Skaters and Parents,

The Christmas Show Committee is pleased with the implementation of the new point system created for the 2023 Christmas Show and is excited to continue to utilize it for our 2024 Christmas Show! The new points system is designed to showcase skaters of all skill levels and encourage members to fully participate in all aspects of our club, including everything from club activities all the way through competing at the highest levels in our sport. Opportunities are announced in club emails, so make sure we have yours!

To Qualify for a solo, duet, trio, or quartet you must meet the following criteria:

1. Be a member of the Ozark Figure Skating Club and have a membership in good standing
2. Meet the minimum threshold in club participation and volunteer hours (Group A=5pts, Group B=2pts)
3. Fill out a points log

Deadline: Saturday, August 31st at 11:59pm via Google Form on ozarkfsc.org

No late forms will be accepted after the deadline! No paper forms will be accepted at all.

Awarding Solos, Duets, Trios, and Quartets

It is the desire of the club to better align the Christmas Show performances with the distribution of skating talent our club has to offer. That being said, the following distribution applies to all skaters who turn in a points log and meet the above listed criteria.

Group A	Group B
Minimum of 5pts from OFSC Activities, Events, & Volunteering	Minimum of 2pts from OFSC Activities, Events, & Volunteering
Pre-Preliminary FREE SKATE / Pre-Bronze FREE SKATE or Higher	All skating levels below Group A Requirements
Tested and Passed by Aug 31st, 2024	Based on completed skill level as of Aug 31st, 2024
50% of Solos	50% of Solos
Exact distribution among Group A will be based on the number of points logs turned in for each skating level. The Christmas Show Committee will provide all skaters with a breakdown upon assignment of solos, duets, trios, and quartets	Exact distribution among Group B will be based on the number of points logs turned in for each skating level. The Christmas Show Committee will provide all skaters with a breakdown upon assignment of solos, duets, trios, and quartets

*Anyone who attends Sectionals will automatically be awarded a solo the following year. However, you must meet the qualifying criteria listed above including club participation/volunteer points minimum.

NOTE:

******Submitting a points form means you agree to participate in the Christmas Show in whatever role the Christmas Show Committee assigns you. If you are assigned a solo, duet, trio, or quartet for Christmas Show and withdraw under any circumstances, your eligibility for a solo, duet, trio, or quartet the following year is not promised, regardless of points earned, and will be determined by a committee vote.

OTHER IMPORTANT INFORMATION:

*****Skaters must FULLY participate in each event to qualify for the points available and must fill out the points form appropriately to be counted towards the skater's total.

******Opportunities to earn points are at the discretion of the coaches and the Christmas Show Committee. If you have any questions regarding existing or potential opportunities, please reach out at Ozarkfigureskatingclub@gmail.com.

*******Parents are not able to earn points for their skaters. Points are not transferable. Any volunteer hours used for points must be performed by the skater and cannot count double towards expected family volunteer hours.

If you have a question, concern, or even an idea for an event that you think should be worth points, please email the 2024 Christmas Show Committee at Ozarkfigureskatingclub@gmail.com. The committee will discuss and provide feedback as soon as possible. Here's to another amazing Christmas Show!
